

=====

Welcome to **2009** and the COMRIE ASSOCIATES quarterly newsletter.

**FREE <> FREE <> FREE <>** *There is so much free on the dot gov [unsponsored domain](#) sites. .. frankly there isn't much that you can't acquire free whether it is household items, planes, trains or automobiles. We can help Contact [mike@ecomrie](mailto:mike@ecomrie) / 937-210-2071 or sign up as a sponsor of our newsletter .. yes the benefits outweigh the sponsorship.*

## POLITICS

Congratulations President-Elect Obama .. only in America. and in our prayers. Listening to the after-comments our Immigration Department will have it's hands full as third-worlder come through the floodgates .. and they will. What country in the world has peacefully reached the stage where within a couple of hundred years they chose a / 20% population president / potential woman vice-president .. might we say "unpresided" © .. oops / woops *u no* a new *u no* WORD *u no* .. can I do that ©

## A DAY IN THE LIFE OF .. Yours Truly

*up in the mornin'* turn on the Computer and click to the Webpage .. and click-link to the News .. catch the headlines, or anything else that tickles ma fancy. Done. Click on the email and take care of business.

The client wants to know about the forms of fibromyalgia .. so we'll link to "[wecanhelp.com\\*](#)" and do the research; package that up and send it by *reply email*. Tap into the stock market and see if I can afford to compose this newsletter. Yes during the break I need to partially winterize household items ..so, tap into [wecanhelp.com](#) and inquire in the video search box, "how to winterize the windows" .. after the short video it's time to put it to work. Lunchtime .. let's see it's chicken noodle because an earlier search pointed out all the benefits .. unless you want to video search on "*cooking the turkey*"; during lunch it's conversation or watch the video clip of the best of the [Train](#) .. Ok let's take a nap.

Back at it; time to client answer and complete the design the multiple test for Chemistry 101, Algebra 1 and send it online. Out to the house mailbox and retrieve the snail mail; incidently, things sent out so far didn't cost me a dime; no envelope, stamp, addressing, licking, sealing, or mailing .. just click . Time to research and online send out *property search* information on 12121 Whitehall Lane including aerial shots and "police report" for the neighborhood; next project "preditors" in Lewisburg, Lancashire, England and email that. Now we're back to this issue and a double check to see if we coulda .. woulda .. shouldn't be there .. done that /.. excuse me, a phone call [http](#) -- not sure but will get back to you .. every so often there's a tough one. TV break nope .. other than the non-ad channels there isn't much apart from *As the World Mourns*. Recheck the News, Market, email and send along the US Government publication on low interest loans for Seniors through Freddie Mac and Fannie Mae [ the Disney / Dizzie characters .. you remember them? ] .. we'll pdf that to the client along with the comparative prices excel list from 2007 vs 2008 .. looks like 10% across the board. Got an alert email> Housing losses July<>September 2008 16.7% .. woops that's about 68% loss for the year. Time for PBS .. working late 53,000 job cut out of Citiigroup .. don't check the market. Hey, some people like comedy! ++ 😊 (-)
